Ordinands on Placement in June

Di Vickery

Hi, my name is Di, and I am a first year Ordinand studying in Bristol. I am very much looking forward to my summer placement at All Saints, Clifton throughout June, and to hopefully meeting many of you.

I am a Devon girl by birth, though moved to Bristol from Somerset, along with my English Springer, Bessie, and we love nothing more than exploring the area to find new walks and coffee shops (please do let me know any good suggestions!).

Before coming here to study, I was a Registered Nurse in the NHS, though after the Covid pandemic, I felt the Lord calling me to pursue Ordination, maybe to work within Chaplaincy, we'll see.

Baking and cooking are two of my passions, along with hospitality and meeting up with others, and I find it a joy to spend time getting to know others and something of their journey in life.

I enjoy the rich diversity in how the Anglican Church expresses worship to God and builds community, with Contemplative prayer being something I love to pursue.

See you in June!

Dan Jeffery

'Hi', My name is Dan Jeffery.

I'm a first-year ordinand at Trinity College Bristol. I moved to Bristol as an ordinand in September 2024, having lived and worked in London for 13 years. I was a youth worker for 8 years of that, working with the charities XLP and Newham Youth for Christ as well as with local Churches.

More recently I worked in the Events Industry and as an Operations Manager and Production Assistant in a church network based in East London, called SAINT.

Outside of work I am a keen climber, cyclist and more recently runner (just starting out with that one), as well as being a musician.

I am passionate in helping people live out their God given gifts, and though I come from an evangelical, charismatic churchmanship I am very keen to learn about the wider traditions of the Church of the England to help inform and enrich my future ministry.'

It's amazing, you think you have all the time in the world to prep for the Salisbury Flower Festival and then you blink and its here. Jo Low and I from the flower team were invited to do a design for the flower festival 'The Spirit of Water' at Salisbury Cathedral.

We were asked to interpret the first miracle - Water into Wine.

Quite a tricky subject and I wanted to avoid using wine bottles and be quite contemporary. The end design featured a vine mesh around 5 tall cylinders showing the transition from clear water to red wine with flowers mirroring the colour change around the water and live grape vine decorating the letters H2O

Set up day on Monday saw over 500 flower arrangers converge on the cathedral. The Cathedral had a real floral buzz. An early start for Jo and I, our arrival slot time was 9am. Fortunately everything travelled safely with no breakages and I hadn't forgotten anything (it does happen) .

We cracked on and within 2 hours everything was done and we could breath and do a quick tour of what else was being created.

The fishes created by local school children using donations which All Saints parishioners had contributed to are particularly effective.

An exhausting but immensely satisfying day with the cherry on the top of our design featuring in Points West Report that night. Just got to go back to Salisbury on Sunday evening to take it all down.

ALL SAINTS PRAYERS

Mon 19	Dunstan 988 Abbot of Glastonbury. Pray for those called to monastic life, in particular the Community of the Sisters of the Church . Pray for those, like Dunstan, who influence great decision makers and those who use money for charitable purposes.
Tue 20	Alcuin of York 804 Pray for those who, often reluctantly, engage with others for the common good. As Alcuin joined the court of Charlemagne for the greater benefit of others
Wed 21	Mass 10.00am Pray for the Senior Citizens in our community. Many are vulnerable, some are at risk from the virus, some are isolated in our communities. However, very many serve the community and society in extraordinary ways – giving so much to life and health – often shaping and working at the heart of community and on the front-line of volunteering.
Thurs 22	Pray for those who work on the sea – Royal Navy, fleet auxiliary, merchant navy, commercial and liners, fishermen, coast guard and all who find a living connected to the sea. Give thanks for the teeming life of the Oceans, their role in the cycles of our planet that enables all life. For those whose lives are connected to the sea – in shipping, fishing, ports and scientists.
Fri 23	Mass 10.00am Pray for those who suffer from hearing loss and deafness. This can be for many an isolating condition and is often the cause of significant frustration and upset. Pray for those who work to provide help, support and care and those who research the conditions.
Sat 24	John and Charles Wesley (1791 & 1788) Pray for our brother and sister Methodists who live and worship in this community.
Sunday 25	6th Sunday of Easter God our redeemer, you have delivered us from the power of darkness and brought us into the kingdom of your Son: grant, that as by his death he has recalled us to life, so by his continual presence in us he may raise us to eternal joy; Early Worship 9.00am Parish Mass 10.30am
